Sponsoring Art Dash:

A Great Way to Make a Difference in Memphis

Did you know Memphis is 8th in the nation for new HIV transmissions? Friends For Life is dedicated to stopping this trend while caring for those affected by HIV/AIDS—and we need your help. Our signature event, Art Dash, raises critical funds to support our services. Community partners like you help us make this event happen.

When you sponsor our event, your donation dollar is TRIPLED—driving multiple lines of revenue through ticket sales, auctions, onsite donations, and food and beverage sales.

This revenue drives all the outcomes made possible by unrestricted agency funds, such as buying HIV tests, building food bags, and expanding our new anti-stigma survey. You can make a BIG difference as we work to get Memphis to ZERO new HIV transmissions.
